

US Club Cards Request

Requesting US Club Cards from LC United

Requesting US Club cards has altered again as they are now being managed via GotSport. Many leagues and tournaments will require your team to use US Club-regulated registrations. This is a **completely separate** process than our usual North Texas Soccer Home Association Official USYSA Rosters.

To request from the club registrar, please complete the following:

- Email info@lcsasoccer.org with team name in subject line
 - RE: LC United 09G Mundt – US Club Card Request
- Ensure all players needing cards are on your GotSport roster. The US Club roster will be pulled directly from this roster.
 - Players must have a legible birth certificate attached to their player profile.
 - Headshot Photo (no sunglasses, hats, or action shot photos – passport photo requirement preferred)
 - FORM #R002 | PLAYER INFORMATION, MEDICAL TREATMENT AUTHORIZATION, LIABILITY WAIVER/RELEASE AND CONSENT FORM - [Download here](#)
- If these are NOT being used for your primary competitive league (U11 & Above), the team is responsible for the cost of these registrations
 - Staff (Competitive – Team Manager, Coach): \$25
 - US Club background Check and SafeSport Cert must be completed in GotSport which is located on your profile dashboard.
 - Player (Competitive):
 - U11 and Below - \$19.25
 - U12-U20 - \$25.25
 - The club will not apply for US Club card with FULL payment and will be transferred to the club from you team account
- Turnaround time can be up to 21 business days for new players that have not been through this system. These registrations are reviewed and approved by US Club at a Regional level. If a letter is needed to complete registration while your cards are being processed, please request this to info@lcsasoccer.org when you request your card(s).
